DIRECTIVES FOR SACRAMENTS IN COVID-19

Dear Pastors, Parishes, Parish Life Directors, and Faithful of the Diocese of Saskatoon:

Effective Friday, September 17, 2021, an interim province-wide mandatory masking order will be implemented for all indoor public spaces.

The general dispensation to the faithful from the obligation to attend Mass continues to remain in effect. However, those who are not elderly or health compromised are strongly encouraged to make the Sunday and holy days of obligation.

Profound gratitude is again expressed to all who persevered in faith and charity during these times of challenge offering the Sacraments, ministry, and support in the many creative ways you have reached out to your people.

Please note the following directives have been updated and remain in place with the addition of paragraph 10 which was permitted under the old masking mandate. Should we receive updated information from the Saskatchewan Health Authority and the Government of Saskatchewan the directives will be amended accordingly.

1. Parishes are not required to restrict capacity, are not obliged to have parishioners sign up or register and contact tracing is not required.
2. Baptisms should continue as they were pre-pandemic with the exception of masking which is required.
3. The delegation to all pastors/administrators to celebrate the Sacrament of Confirmation for those baptized Catholic as infants or children whose Confirmation was postponed due to the pandemic has ended.
4. Confessionals may be used and alternative locations or arrangements can continue.
5. Holy water fonts can be filled.
6. Hand sanitizer and/or alternate sanitizing options should be available throughout the church.
7. Appropriate cleaning of high use areas within the church is still encouraged before and after each service.
8. All hymnals and missalettes are permitted in the pews. Single-use materials can still be considered.
9. Families are not required to maintain distance between their family and other families or individuals throughout the celebration of Mass.

10. **Speakers at podiums are not required to wear their mask while speaking to the congregation provided that there is a minimum 3 meters (10 feet) between the speaker and others. This means a priest and/or lectors are not required to use a mask provided that they are at least 3 meters (10 feet) from other members of the congregation.**
11. The procession at the Preparation of the Gifts may continue. Pastors may choose to have collection baskets (or any other materials) stationary and not to be passed from one family to another, however, the use of the offertory basket is not prohibited.
12. The Sign of Peace should continue to be omitted or done with a simple gesture, such as a reverent bow to avoid physical contact.
13. Mass may be celebrated with the participation of altar servers.
14. **The priest, and Extraordinary Ministers of the Eucharist, must wear a mask and must sanitize his hands immediately before and after distributing Communion. Physical contact should be avoided when placing the host in the communicant's hands. Sanitize intermittently as necessary.**
15. **Distribution of the Holy Communion (Blood of Christ) from the chalice should continue to be omitted to the assembly.** For those who are gluten intolerant, special arrangements are to be made with the pastor.
16. **Those who choose to receive on the tongue should continue to be the last to receive. The minister of Holy Communion is to sanitize between each communicant and/or family.**
17. Celebrations and ancillary events may continue, food and drink may be served.
18. The standard pre-pandemic fire, health, privacy, and labour codes remain in effect.

Again, I thank pastors, parish communities and the faithful of the Diocese of Saskatoon for their patience and consideration throughout this time and for their support as we come out of the pandemic and move towards regular worship and parish activities.

Sincerely in Christ,

✠ Most Reverend Mark A. Hagemoen
