UPDATED in July 2021

I OUTREACH & HEALING

1. We commit to a safe, respectful and compassionate intake process for victims to come forward.
2. We commit to listening to those who identify as victims of sexual abuse by others in the church, acting on their allegations with empathy and integrity and providing support through trustworthy and competent caregivers.
3. We commit to responding to abuse and the need for honesty and healing – including through prayer and liturgical opportunities.
4. We commit to cooperation in prosecuting those committing crimes of sexual abuse, while also committing to a strategy of treatment for perpetrators.
5. We commit to open and ongoing communication on safeguarding initiatives, including regular updates on our action plan.
6. We commit to a series of parish and/or deanery roundtable conversations regarding expanded safeguarding in the diocese.

II PROCESS OF REPORTING AND ADDRESSING ALLEGATIONS OF SERIOUS MISCONDUCT AND SEXUAL ABUSE

7. We commit to an intake process that is clear, straight-forward and confidential.
 - a) *Intake Officers are available and contact information is listed at rcdos.ca/report-abuse. Male and female Intake Officers will always be available as contact options. We commit to an immediate response to allegations within 48 hours. We will work to implement a 24-hour hotline for those who wish to remain anonymous when reporting serious misconduct or sexual abuse.*
 - b) *we commit to report all allegations to police immediately in cases of alleged child sexual abuse.*
 - c) *To especially support those who come forward presenting allegations of abuse or seeking advice and support, we commit to reviewing and altering our existing intake and investigation processes to become more complainant-focused, simplified, and accessible.*
8. We have undertaken a review process of all historical files currently underway, led by a committee of qualified people who are independent of the bishop's office and the diocesan curia. The committee's historical case review included all clergy, past and present, including those who have died.
9. We commit to ongoing support and resources for the independent Victim Support Coordinator who has been appointed to provide healing support and guidance for those who identify as victims of sexual abuse.
10. We commit to rigorous record keeping and documenting allegations of any and all serious or sexual misconduct in the files of clergy members/ church employees and church volunteers.
11. We commit to establishing a clear process to address any reports of serious misconduct, including sexual abuse, by clergy and church employees — that addresses:
 - making the complaint or report
 - the evaluation
 - the conclusion and action or response
12. We commit to publicly identifying the names of clergy and church employees who have been found guilty of sexual abuse or other serious misconduct in a court of law or through the diocese's own safeguarding investigative process, subject to privacy laws and/or publication bans or privacy agreements. We commit to careful consultation with victims or representatives of victims prior to the public identification of names.
13. We commit to a victim-first approach when investigating and acting on allegations of serious or sexual misconduct, ensuring that no further trauma is caused to victims/survivors in the process.

“It is my goal to hold the bar very high in assuring that all our churches are safe and respectful communities, and that they are free from the evil of sexual abuse by clergy or anyone else in the church.”

Most Reverend Mark A. Hagemoen,
Bishop of Saskatoon

“We are parishioners and people from every walk of life, strongly committed to making our churches safe for all and responding to those with allegations of sexual abuse with urgency, empathy, compassion and understanding.”
